BORRROMEO

A voyage to Europe in the summer and observing the wonderful blue reflections of the Mediterranean Sea, the concept is inspired by and conceptualized with the feeling that takes one to a sunny day near the seaside with an easy breeze blowing. Borrromeo collection is a result that blends the expertise and know-how of HIGOLD with natural and pure elements in perfect harmony. This unique collection is where the simplicity of natural rope is combined with the modern lines of aluminum accurately to bring to life a feeling like no other. Mixing and blending conventional design with pleasant nostalgia! The scattering of sunlight by the molecules of the water inspires the textures and feel of this collection and is a reminder to relax and unwind in it.

It is a comfortable sofa allows you to spend many hours relaxing, and good lavish and attractive furniture makes your house and garden more attractive.

It has a natural lightness and elegance but never loses its sturdiness and comfort.
